Further, any Provincial Union wishing to select a Player who is 18 years of age as at the day of the first match in the Premier Competition as part of the Playing 23 for a Premier Competition match must obtain prior written approval from the NZRU. NZRU High Performance will issue protocols on an annual basis that it will then assess the Player against in consultation with the Provincial Union and the Player. - 2.3 There is no restriction upon the number of Players that may Transfer from, or to, any Provincial Union.

#### 3. TRANSFER PERIOD

- 3.1 The Transfer of a Player wishing to play in the Premier Competition must occur in the **Transfer Period**.
- 3.2 If the Transfer of a Player is agreed in writing and notified to the NZRU prior to the Super Rugby Eligibility Date (even if it is to take effect at a later date in the Transfer Period) the Player's Transferring Union will be taken into account for the purpose of determining his Home Franchise for the following Super Rugby Competition.
- 3.3 A Player may Transfer only once in the Transfer Period.

## 4. CAPTURED UNION

- 4.1 A Premier Competition Captured Player or a Heartland Championship Captured Player shall be deemed to be captured by the Provincial Union in which he is currently Registered. This Provincial Union will be the Player's **Captured Union** until otherwise determined pursuant to these Regulations.
- 4.2 A Player is not eligible to be selected for the Playing 23 of a Provincial Union, other than his Captured Union, for the Premier Competition immediately following the Transfer Period during which the Player becomes a Premier Competition Captured Player or Heartland Championship Captured Player unless the Player has transferred in accordance with these Regulations, or has been loaned in accordance with the NZRU Player Eligibility Regulations.

For the avoidance of doubt, a Player is not in breach of any employment obligation by entering into discussions during his Provincial Union Term or Provincial Union Development Term concerning employment arrangements which are proposed for a period after the expiry of that Term.
- 5.3 A Player who is not a party to a Provincial Union Contract or Provincial Union Development Contract may enter into a Provincial Union Contract or Provincial Union Development Contract at any time.

Development Contract during the Contract Year in which the Transfer Period finishes. For the avoidance of doubt:

- (i) the amount of such Development Compensation Fee need not be determined at the time of the Transfer; and
- (ii) the Development Compensation Fee will be payable at the time the Player enters into a Provincial Union Contract or Provincial Union Development Contract.

In the event the Transferring Union cannot agree the amount of the Development Compensation Fee with the Captured Union, the Transferring Union may refer the matter to the CEO of the NZRU. Upon referral, the CEO will establish a panel of senior management to determine the amount of the Development Compensation Fee taking into account the submissions of the Captured Union and Transferring Union and any other interested stakeholder, the number of years that the player has been registered to the Captured Union, the costs incurred in developing the player, the financial capacity of the Transferring Union to pay, and any other relevant factors.

- 6.6 In the event a Transferring Union fails to pay to the Captured Union any agreed Development Compensation Fee the NZRU may deduct the amount from the next NZRU grant due to be paid to the Transferring Union.
- 6.7 The NZRU shall within 10 working days of deducting it from any NZRU grant, pay the full amount to the Captured Union.

# 7. NOTIFICATION OF TRANSFER

- 7.1 No Transfer of a Player to a Premier Competition Union will be recognised by the NZRU unless a Player Movement Form as set out in Schedule 1 or 2 has been submitted to the NZRU.
- 7.2 All Player Movement Forms must be submitted to the NZRU prior to the end of the Transfer Period.
- 7.3 At the end of the Transfer Period the NZRU shall notify all Provincial Unions of all Transfers to Premier Competition Unions that occurred during the Transfer Period. Any Player will no longer be captured by his Captured Union and shall be entitled to be selected and play for the Playing 23 of the Transferring Union from the transfer date noted on the Player Movement Form submitted to the NZRU or on the date that the transfer is acknowledged by the NZRU, whichever is the later.

#### Part 3 • General

#### 8. CHANGES TO REGULATIONS

- 8.1 These Regulations have been developed pursuant to the Collective Agreement.
- 8.2 Except as provided for in clause 8.3, in the event the NZRU wishes to make amendments to these Regulations it must comply with the following process:
  - (a) in the first instance, the NZRU must meet with the RPC and attempt to obtain its agreement to any amendment;
  - (b) if the RPC withholds agreement, the NZRU may proceed to make the amendment (provided that, in that event the RPC may seek to rely upon the problem resolution provisions of the Collective Agreement).
- 8.3 NZRU management may, at its discretion subject to consultation with the RPC, make minor or incidental amendments to these Regulations provided consistency with the Collective Agreement is maintained.

#### 9. BREACH OF REGULATIONS

- 9.1 Any breach of these Regulations by a Provincial Union will be dealt with by the NZRU in accordance with clause 14 of the NZRU *Domestic Competition Regulations*.
- 9.2 Prior to reaching a conclusion that there has been a breach of these Regulations, the NZRU will notify the RPC of the nature of the alleged breach and provide the RPC with access to any information and an opportunity to have input into the investigation of any alleged breach, including any submissions RPC wish to make about penalty.
